

Sir Knights and Ladies of the Grand Commandery:

At the annual Conclave in September, The Ladies of the Grand Line under the direction of Ladies Carol Shire and Debi Passalugo will be conducting the Grand Commander's Charity Basket Raffle. The last few years have featured many baskets that have generated money donations for Templar charities. This year, the Grand Commander has selected the Educational Foundation as the recipient. Let's help them give another scholarship.

The Ladies need baskets and request that if you are attending the Conclave to please consider donating a basket for the raffle. They also need other Ladies from around the state to work a shift selling tickets at the raffle room for the weekend. Please contact Lady Carol (716-297-7789) or Lady Debi (716-830-7693) to let them know if you will bring a basket (Any late baskets will be accepted at the Conclave), so they can plan enough table space.

Also, if you can volunteer to help sell tickets please contact these ladies to select a time when you will be available.

Thank you for all your help

Steven Wing

Grand Recorder
